- 1. A directive issued by the Athens Politburo representatives to the Communist organization of Athens (KOA) between 3 and 10 January 1949, states that the sum of 21,246,000 drachmae in cash and articles with a total value of 25,000,000 were collected for a fund for "National Welfare" (EA) during the Christmas holiday by KOA and EPON members. In this effort, KOA failed to reach the usual figure of 50,000,000 in cash for such Christmas collections and the matter was to be investigated by the KOA City Committee.
- 2. Directives issued between 10 and 13 January state that following the Rendis (Ministry of Public Order) announcement, soldiers serving in Athens were to be transferred to the front. KOSSA members and members of Party satellite organizations who were affected by the announcement were to inform the Party of their assignments so they could be put in contact again with KOSSA on arrival at their destination. This directive was to reach organizations of the base (KOB) at the earliest opportunity.
